Subject: Spill Site in New Lenox, IL

Hi,

I'm looking for information on a spill site in New Lenox, IL. We know it was reported, and potentially went through the Region 5 office. The information I have is:

Klemm Tank Lines (Spill)
441 DeGroate Road-B
New Lenox, IL 60451

BOL Site ID: 170001745841
Inv Num: 1970705094

I am unable to find the spill listed in any of the online databases and was hoping you could point me in the right direction so that I can submit my FOIA request to the right people. Thanks in advance,

Kim T. Miller, P.E.
